

A note about

GodTime™

There are 2 GodTime™ cards for you to choose from ...

one in color and one in black & white

(in separate PDF documents on the Web site).

To prepare, copy the color version on white cardstock.
Or, copy the black & white version on colored cardstock,
a different color for each week.

(If there are two pages, copy them front to back.
Fold where indicated if needed.)

Enjoy!

Day 3**

Forgiveness is a big deal to God. He couldn't have given anything more valuable than His Son or done anything better for us than giving us a Savior. Jesus made a way for us to be forgiven.

READ 2 CORINTHIANS 5:21.

Color in the letters below, then cut out the cross shape and use it as a bookmark or reminder to forgive others because God forgives you.

Praise God for being loving AND just.

Read Me First

READ COLOSSIANS 3:13.

Forgiveness is deciding that someone who has wronged you doesn't have to pay. One way to be forgiving is by not holding on to bad feelings. God doesn't keep a record of your sins if they're forgiven, and neither should you. Forgiveness is one of the best ways to show others what God's like.

Hold a tight fist around a coin for about five minutes. Repeat the words of Colossians 3:13 several times. When you finally let go, it will feel great—sort of like how it feels to let go of bad attitudes and bad feelings toward others.

Ask God to help you let go of bad feelings and forgive the way He does.

Day 2**

God emptied the "bucket" filled with your sin when Jesus died on the cross. Jesus took the punishment of the cross so you could be forgiven. God wants you to give others a chance to be forgiven, too.

READ PSALM 103:12.

Confess a sin to God by writing it on a piece of paper. Then ask His forgiveness.

Tear the paper in half. Put one piece in a trash-can somewhere on the east side of your house or yard. Throw the other piece in the trash as far as you can to the west of your house or yard.

Offer to wash dishes and take out the trash. Think about the way sin is like yucky garbage in your life. You need to get rid of it.

READ DANIEL 9:9.

God sees all the mess of our sin, but He loves us anyway. When Jesus died on the cross, He made a way for our sin—like garbage—to be taken out forever. When you ask Him to forgive you and be your Savior, He washes your sin away and gives you a clean heart.

Thank God that all your sin can be forgiven because of what Jesus did for you.
